1. In which country the market you are testing is situated?

Select from list:

Austria

2. Are you testing a Local or Regional Market? If yes, please specify which.

Region/Location:

cluj

3. What is the name of the industry/market you are testing ?

Name:

dsdsas

4. How many competitors are there in the market ?

Number of Competitors:

32

5. Is there high entry barriers? Please justify your response.

High entry barrier:

yes

Please justify your response:

bla bla bla

6. Is there frequent interaction between the firms? If yes, please specify.

Frequent interaction:

yes

If yes specify:

dsdsasd

7. Is the market transparent? If yes, please specify.

Transparent market:

yes

If yes specify:

kgfda

8. What is the market growth ? Please enter the market growth for the industry in the country in percentage , in the world and for average market growth in the country for all industries in percentage.

Market growth for the industry in the country(percentage):

78

Market growth for the industry in the world(percentage):

77

Average market growth in the country for all industries(percentage):

6

9. Is there significant fluctuations or business cycles? If yes, please specify.

Significant fluctuations or business cycles:

no

If yes specify:
